GOD AND LIFE

God and Me (grades 1-3)

The God and Me unit encourages children to tell the story of their lives, think about the life and teachings of Jesus, and see how God is present in their lives today. Parents or other adults are encouraged to work side-by-side with the child, serving in the role of counselor or mentor.

God and Family (grades 4-5)

The God and Family unit is “home-centered,” with parents or guardians directly involved under the supervision of the pastor. This unit promotes Christian nurturing in the home and church, and encourages individuals to grow in the understanding of their faith as it relates to their homes, their family relationships to the church, and their own identities in society.

God and Church (grades 6-8)

The God and Church unit provides individuals with an opportunity to know their pastor and counselor more intimately, to understand the church’s structures and objectives, and to participate in services and projects that will give them a better understanding of the mission of the church.

God and Life (grades 9-12)

The God and Life unit helps young people to grow as Christians by fostering in them a closer relationship with their Lord, a heightened awareness of their own worship experiences, an eagerness and ability to be personal witnesses to their faith, and enthusiasm for sharing in the outreach efforts of their congregation.
