

P.R.A.Y. IS THANKFUL FOR AHG

P.R.A.Y.'s mission is bringing children, youth and families to Christ, and for this reason we give thanks for AHG and the Christ-centered programming that it offers.

P.R.A.Y. directors Jason Noland and Deb Hazlewood visited AHG headquarters in Cincinnati, OH in October to meet with National Director, Patti Garibay and Director of Girl Impact, Kristi Tatro. After enjoying a tour of the offices and learning about the depth of their work, the four of them discussed ways to continue to collaborate and strengthen each other's ministry. P.R.A.Y. values AHG's partnership: AHG has been affiliated with P.R.A.Y. since 2004 and an AHG representative has been part of the P.R.A.Y. Board of Directors since 2007. AHG has had a voice in the P.R.A.Y. organization ever since. Visit <https://www.praypub.org/ahg> for more information on how P.R.A.Y. supports AHG.

Thank you for your partnership in ministry!

TROOP SHEPHERD IS THANKFUL FOR P.R.A.Y. RP3 Teaches God's Word

Vivian Morgan, Troop Shepherd for Troop 2206 in New Mexico, is using P.R.A.Y.'s RP3 patches to teach important Bible lessons to her American

Heritage Girls. Vivian's heart is for these girls - only about a third of the troop is active in church - and she searched for a Bible-based curriculum to use for Troop lessons and devotions. *Bible Basics RP3* was a perfect fit. According to Vivian, "Your program tools are wonderful, teaching of God's word ... You truly have a ministry that has helped us on our journey here in Aztec, NM ... All of the lessons are a gift from above. Thank you for all you do!"

If Vivian is thankful for the P.R.A.Y. ministry, P.R.A.Y. is thankful for Vivian. Vivian created individual packets with the materials needed for each girl to complete a hands-on activity at home. Check out her ["Birds of the Air" packet](#) as well as the ["Tents and Shelters" packet](#). Visit P.R.A.Y.'s [Community Hub](#) to access these and other supplemental materials created and shared by friends of P.R.A.Y.

P.R.A.Y. IS THANKFUL FOR AHG TROOP SHEPHERDS USING THE "TENTS" PATCH TO WISH THANKSGIVING BLESSINGS TO YOU!

"Tents and Shelters" has good timing with Thanksgiving.

The second story in the "Tents and Shelters" patch is about the Festival of Booths. Students read in Leviticus how God commanded the Israelites to celebrate the Feast of Tabernacles or Sukkot. The festival required the people to live in "booths" or temporary shelters and it is associated with the time of the autumn harvest. It shares a similar spirit to that of Thanksgiving, pausing

to give thanks and acknowledge that what we have comes from God.

As you celebrate Thanksgiving this week, may this miniature "booth" (made by Vivian Morgan out of craft sticks) remind us of the lesson from this RP3 patch, that we are commanded by God to remember tough times and to celebrate with joy how God always provides for us.

Thanksgiving Blessings to you!
