

An important part of NLAS ministry is providing Lutheran Chaplains for BSA high adventure bases and national events, such as the 2021 National Scout Jamboree. Are you, or do you know, a Lutheran minister, deacon, Director of Christian Education (DCE) or seminarian (who has completed at least one course in Clinical Pastoral Education) who would enjoy the challenge of working with a “congregation” consisting of hundreds of youth and adult leaders from across the U.S. and elsewhere in the world? In addition to planning and conducting worship services, you will be called upon to provide presence, pastoral care, and counseling in an all-faith environment, as well as visiting those in on-site medical facilities and assisting in event management in case of serious accident, illness or death. Women and men are needed who are willing to model how "a Scout is Reverent" while encouraging youth to engage in "Duty to God" activities, advocating participation in their faith tradition's religious award program, and assisting youth Chaplain Aides in carrying out their religious leadership duties. Does this sound challenging and exciting? See the [letter from the NLAS Lead Chaplain](#) or email chaplain@nlas.org. Candidates will be vetted by their District President, Synod Bishop, or other national church judicatory official as appropriate. It is important to contact the NLAS Lead Chaplain before submitting your NSJ 2021 application, so the NLAS Lead Chaplain can reserve your selection as a chaplain!
